

Forth Energy Grangemouth Renewable Energy Plant

Members of the public are invited to attend a public exhibition providing information on Forth Energy's proposals for a Biomass Renewable Energy Plant at the Port of Grangemouth. This will provide feedback from our exhibition in February, and more information on the proposals. The project team will be available to discuss the proposals and there will be an opportunity to make comments.

Public exhibition dates

La Porte Precinct, Grangemouth

Unit 47 (formerly Eden Florists)

Friday 25th June

9am to 5.30pm

Saturday 26th June

10am to 4pm

Please come along to the exhibition if you would like to find out more or visit www.forthenergy.co.uk
