

# OUTCOME OF OUR FIRST PUBLIC DISCUSSION

# Forth Energy Grangemouth Renewable Energy Plant BULLETIN

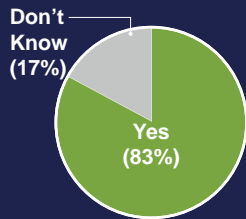

Location of proposed Renewable Energy Plant in Grangemouth

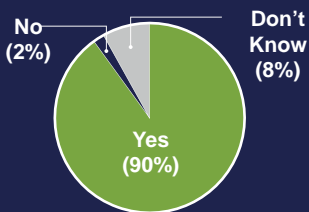

99% of respondents were supportive of the principle of a renewable energy generation

83% of respondents supported the use of biomass as a source of renewable energy

90% of respondents believed that the proposed renewable energy plant would bring positive benefits to Grangemouth

Results from 48 questionnaires completed at the public exhibition at La Porte Precinct, February 2010

Forth Energy would like to invite you to attend a public exhibition providing further information and answers to the questions you asked us when we introduced our proposals for a 100MW Biomass Renewable Energy Plant at the Port of Grangemouth in February.

### Comments from Public Exhibition

At the public exhibition we held in Grangemouth in February, you gave us your views on the proposals.

### Answering your questions...

You raised a number of key questions about the Biomass Renewable Energy Plant which will be addressed at the forthcoming exhibition. These covered the following issues:

- Environmental Impacts
- Local Benefits
- Transport
- Fuel
- Visual Impact

### Where to now?

The forthcoming exhibition is part of a wider process of engagement. Forth Energy will submit an application for consent to Scottish Government in summer 2010. At this stage there will be an opportunity for you to submit your comments on the proposals to the Scottish Government directly.

### When is Forth Energy next in Grangemouth?

#### Public Exhibition Dates

**Unit 47, La Porte Precinct, Grangemouth** (formerly Eden Florists)

- **Friday 25th June**  
9am to 5.30pm
- **Saturday 26th June**  
10am to 4pm

The project team will be available at the exhibition and there will be an opportunity to make comments.

Please come along to the exhibition if you would like to find out more or visit;
